TOP LEADERS IN TECH & AUTO

In this power-packed Anniversary Edition of Exhibit Magazine, we're rolling out the red carpet for the visionaries, disruptors, and decision-makers who are scripting the future of India's tech and auto industries. This exclusive section is dedicated to the Top Leaders who are not just riding the wave of innovation but also creating it. From revolutionising mobility to redefining digital experiences, these icons are pushing the boundaries of what's possible. Through candid conversations and bold

perspectives, we uncover what drives them, how they lead, and what the future holds. Whether it's scaling startups into unicorns or transforming legacy brands into tech powerhouses, their journeys are nothing short of inspiring. As we celebrate another milestone year, get ready to dive into a curated series of interviews that are high on insight, ambition, and impact. This is more than a feature—it's a tribute to those shaping India's new-age narrative. PS. We've presented our honorees in alphabetical order.
