REVIEW

# IS THE MCU BACK?

A close-up photograph of two hands reaching towards each other. The hand on the left is wearing a red, textured glove with black accents, characteristic of Deadpool. The hand on the right is wearing a yellow, worn leather glove with black stitching, characteristic of Wolverine. The hands are positioned as if about to shake or clasp. The background is a dark, metallic surface with some faint circular markings.

## DEADPOOL & WOLVERINE
